

FUNDING ACKNOWLEDGMENT

Your signature below indicates that you have been informed, of the importance of funding your Trust, i.e., transferring your assets into your Living Trust name. All assets listed on Schedule "A", or any separate property schedules of your Living Trust documents, must be transferred into your trust. By failing to make this transfer on all present and future real and personal assets of value, the assets may remain subject to the probate process. I have read the above instructions and clearly understand the importance of funding my "Living Trust".

This letter serves as acknowledgment that you have received your Living Trust and all of the accompanying estate planning documents.

This letter also serves as acknowledgment that you reviewed your estate planning documents, including the trust, powers of attorney(s), and deed(s), and they are accurate and in accordance with my wishes.

I UNDERSTAND THAT WE ARE SOLELY RESPONSIBLE FOR THE TRANSFER OF ALL OUR ASSETS INTO OUR LIVING TRUST.
